

ICE CREAM CONE

Pas à pas #Diy

DIFFICULTY LEVEL

Easy

TIME REQUIRED

About 1 hour

MATERIALS

- Pattern coton
- Plush stuffing

STEPS

REQUIRED MATERIAL

- Pattern coton : 30 cm (12 in) for the ice cream cone / 20 cm (8 in) for the ice cream
- Plush stuffing • Needle and embroidery needle • Embroidery thread
- Scissors or rotary knife

1- Cut the 4 pattern pieces into two different fabrics.

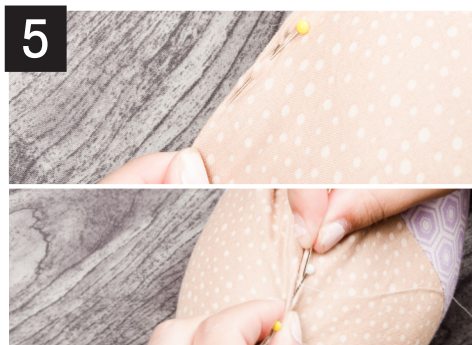

2- On the front of your cushion, draw with a pencil, the mustache, muzzle and mouth of your cat. Then embroider it with an embroidery cotton thread in the colour of your choice.

3- Assemble the ice cream portion with the cone portion for the front and back by juxtaposing them, right sides facing each other. Assemble the front and back and leave an opening of about 5 cm (2 in). Be sure to align the yoke front and back by attaching the junction with a small stitch.

4- Crunch the corners and decrease the seam value in the rounding. Pull your cushion inside out and stuff it with plush stuffing.

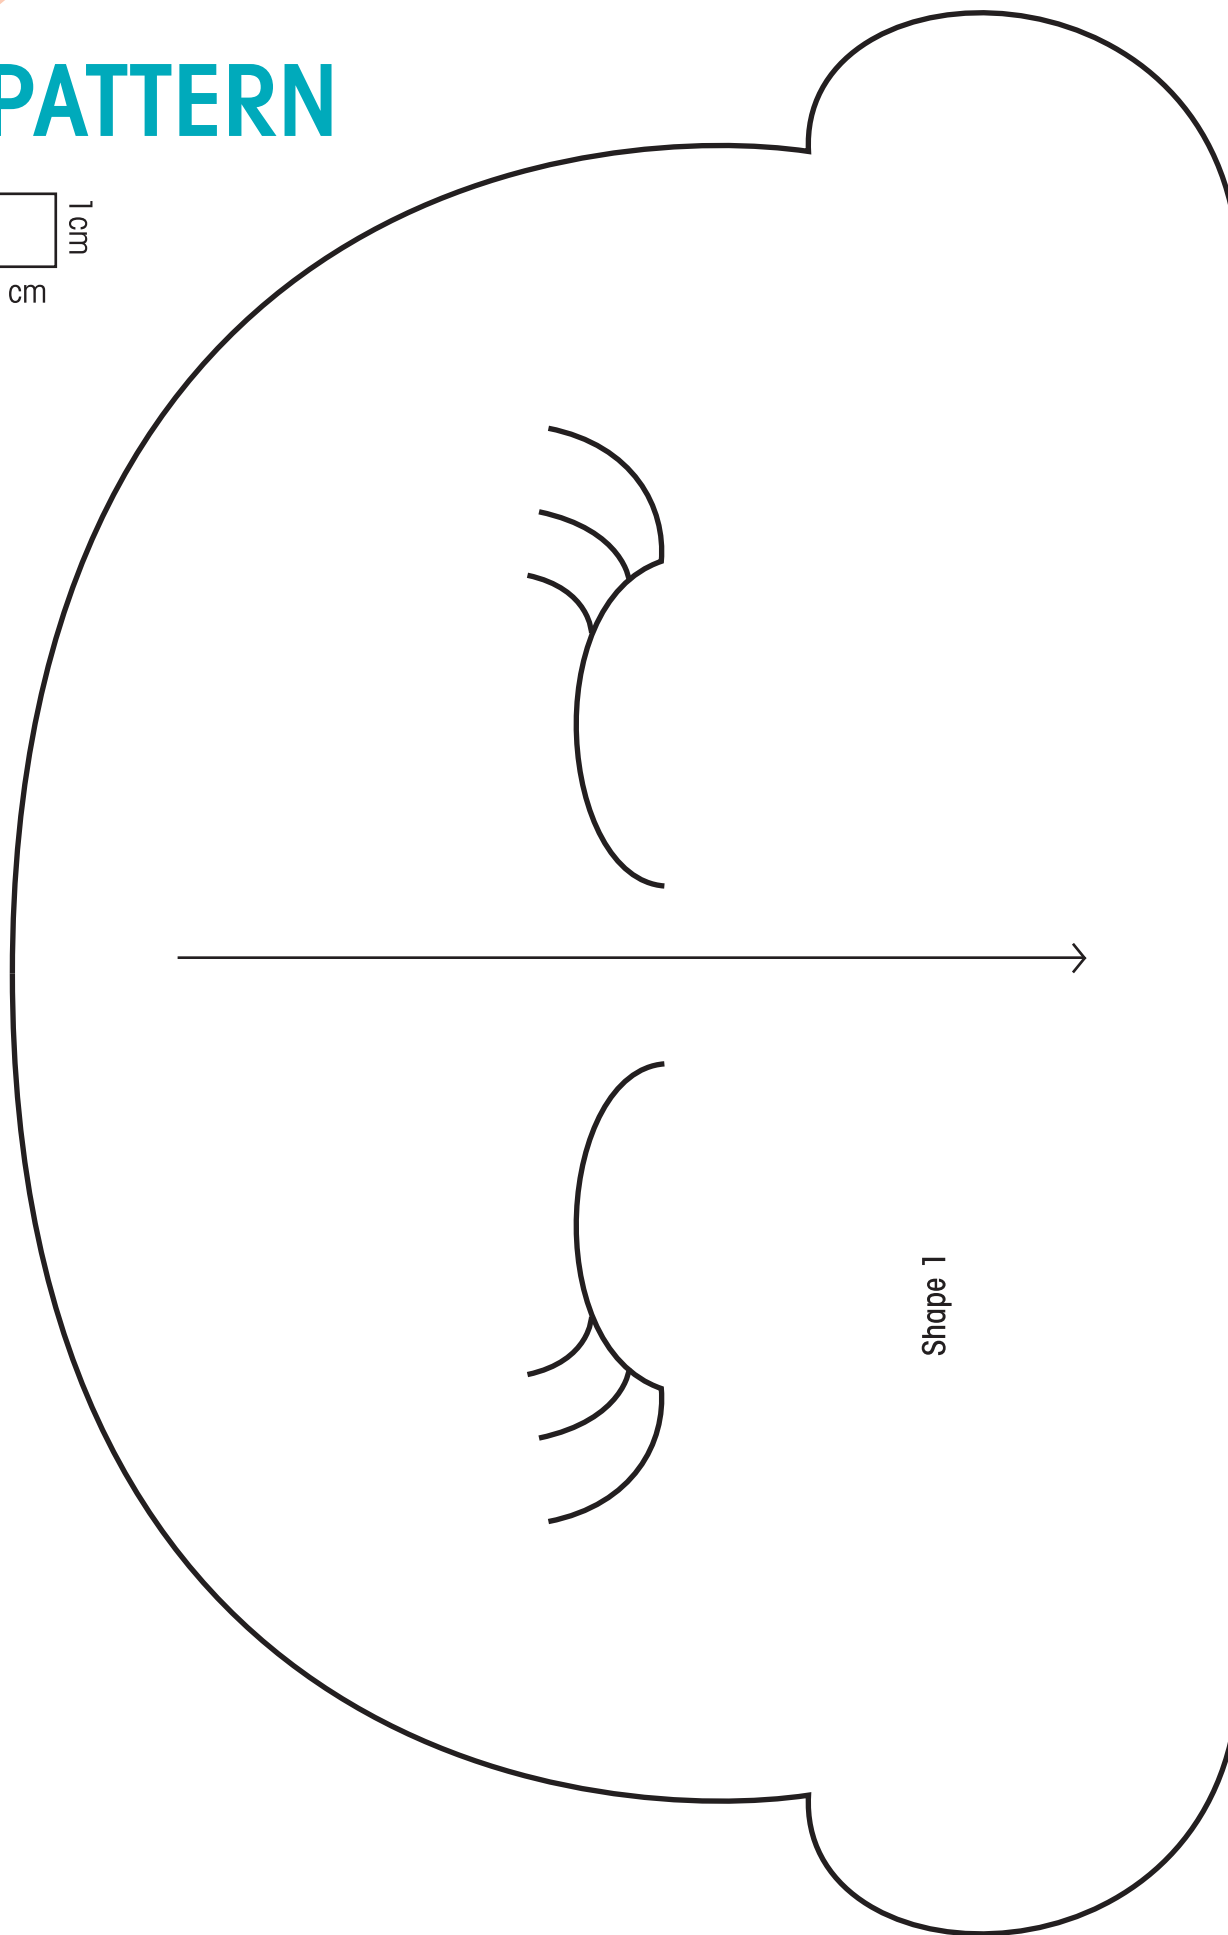

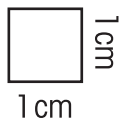

5- Close your cushion by making an invisible stitch by hand.
